

Ngo Minh Khoi

Fresher Front End Developer

Go Vap, Ho Chi Minh City, Viet Nam | ngominhkhoei1108@gmail.com | (+84) 0937 525 530

CAREER OBJECTIVE

I recently graduated from Van Lang University with a degree in Information Technology, specializing in Software Engineering. I am seeking a full-time position where I can apply my knowledge, enhance my professional skills, and gain hands-on experience. My goal is to contribute meaningfully to the company while continuously learning and growing in a dynamic, professional environment.
